Scale:

8. Forest extent as per data provided by concerned agency. Any discrepancy in the extent of forest and the ground reality/situation shall be assessed and duly keeping in view standard and inherent errors in scaling, geo-referencing, edge-matching and stretching.

Area measurements or boundaries, the respective revenue records and relevant land records from the respective offices shall be referred to and are provided to establish relative location of various plan elements. While the locations are accurate, the shape or dimensions may differ.

Revised Master Plan for Bengaluru 2031.
