Note :

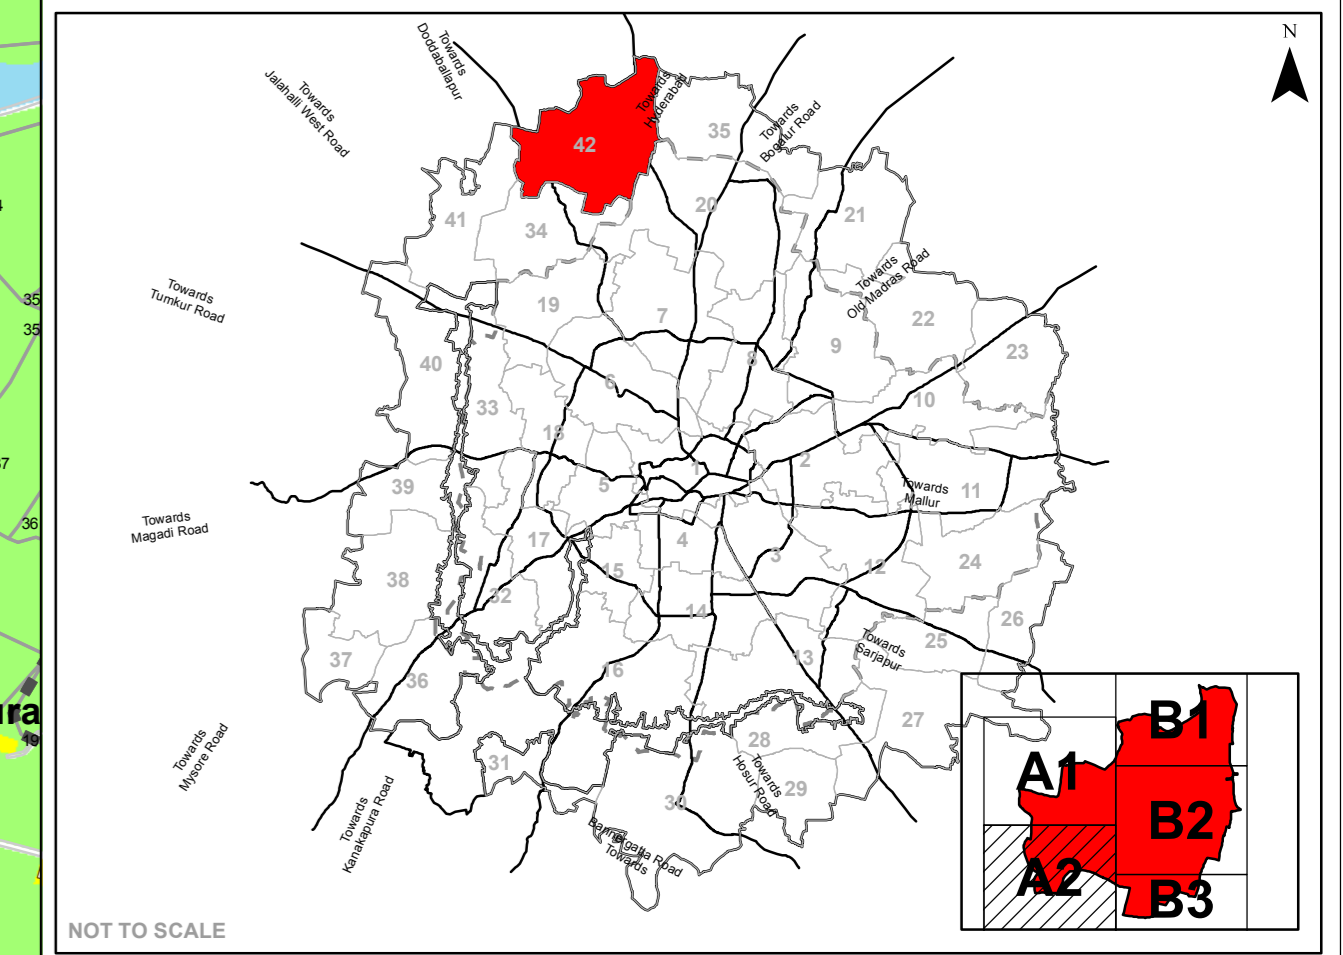

- The ELU Map is for the purpose of documenting information concerned with the preparation of a Revised Master Plan for Bangalore 2031.
- Boundaries of villages and parcels referenced from individual village maps and such other relevant sources are indicative, and are provided to establish relative location of various plan elements. While the locations are accurate, the shape or dimensions have been derived from other map sources. Therefore, the sites or land parcels indicated on these maps should not be scaled or used for measurements or used for calculation of area and related measurements. For any reference related to village or parcel boundaries, or area measurements or boundaries, the respective revenue records and relevant land records from the respective offices shall be referred to and these shall prevail in the context of the Base map and/or existing land use map.
- All village outlines and road alignments as interpreted from satellite imagery procured in year 2012 and 2015 (for Cloud area) and actual situation as per ground conditions/field survey shall prevail.
- All village revenue maps overlaid on base features have been incorporated from satellite images and other sources are only indicative and are subject to change in view distance and inherent errors in scaling, geo-referencing, edge-matching and stitching.
- Name of localities/land marks are indicative in nature and for reference purpose only. The annotations and spellings may vary as per local and/or revenue usage.
- The ELU survey and mapping is in accordance with provisions of KTCP Act, 1961 and KPA Rules.
- The Existing land use (ELU) depicted on the maps do not mean grant of permission to existing buildings/developments in violation to the Proposed Land Use of RMP 2015 or that these are illegal.
- Forest extent as per data provided by concerned agency. Any discrepancy in the extent of forest and the ground reality/situation shall be attended/addressed by concerned agencies on case to case basis.
